We are located in the Naval Annex building at the Clearwater Airbase on the north end of the St. Petersburg Clearwater Airport (PIE). Follow the green highway signs to Fairchild Drive and the USCG CLW Airbase. Before you arrive at the Security Gate to the Airbase you will see the entrance to our parking lot area. The parking lot is within a security fence and the building requires a pass code for entrance. Use the above telephone numbers and we will meet you for your entrance.

Please have your Auxiliary Membership ID card to show for admission. New members may bring a written message from your Flotilla Commander (including your ID number) if you have not received your ID card.

The website (www.CGAUX7.org) provides inventory control, credit processing, and membership information. All your purchases from the Center will be via the website. When at the Center we have provided several computer systems for your use.

We will try to have a cup-o-coffee or other beverage to welcome you to our Center. The Staff of the D7 Material Center are all volunteer members of the Auxiliary. Their time and hard work is what the Center is all about. We are proud of the work that has been done and looking forward to serving the needs of all Auxiliarists.
